CAMP TASKER

Camp is over and we all have had such a fun summer. This month we have celebrated Disney Week, Splish Splash Week, Campers vs Counselors, and our Grand Finale Week. Campers have enjoyed dressing up as their favorite disney character, cooling off with Kona Ice, sliding and jumping on themed inflatable slip n slides and bouncy houses, and climbing on rock walls! We have ended the summer with awards and recognitions for some of our all star campers and counselors. Catering was from chicken connection!

Summer Leagues

The leagues were a great success this summer! In the high school leagues, the Kings beat the Celtics with a score of 79-69 and in the major leagues the Heat beat the Warriors with a score of 46-33 in the championship. The Heat went undefeated this season in major leagues to win the championship! We also ran our annual All Star Game and 3 Point Competition at Swasey's Field during National Night Out. We ended the summer with a staff vs members basketball game. Staff won in overtime!

Summer Sports Leagues

SUMMER TEEN NIGHTS

Teen Nights has continued to be a lot of fun for our teenagers. Kids have participated in field trips to Spectacle Island and traveled on a ferry, they went to a Fisher Cats Game in Worcester, and had a lot of fun renting out a movie theater for a screening of Ninja Turtles! Kids continued to enjoy the video games, ping pong, and bumper pool games down in the teen center.

KIDS CLUB

Kids Club members strengthened their academic skills in the morning and engaged in recreational activities in the afternoon. The kids loved the steam experiments. They learned how to use microscopes this summer and looked at samples of a cotton stem, goldfish scale, red onion skin, and a bean leaf! The kids also enjoyed the coke and mentos experiment and loved watching the soda explode. They also made their own body scrub and got to bring it home!

After School Registration is Open! Front Lobby opens at 11:00 a.m. to sign up

Teen Nights

Teen Yoga

Throughout the teen's busy schedule, we have also had an opportunity to run Teen Yoga Nights and decompress from all the craziness that summer brings
