# Monthly Newsletter

"Great futures start **here**"

## Member & Mentor of the Month

This month we recognize Adeline Colindres. Adeline is extremely kind, respectful, and welcoming to everyone she meets. Adeline comes into the club with a positive attitude every day and lights up every room she enters. We are very lucky to have her!

"I enjoy making posters and poems about confidence for everyone to see." -Adeline Colindres

This month we recognize Gabe Cadeus. Gabe is our Assistant Athletic Director and has been instrumental in the success of our Hoops and Handles program and our travel hockey league. He is also running our Positive Action program twice a week at Nettle Middle School, where we work with 5th through 8th graders on healthy habits. In addition to all of this, Gabe is also running daily gym activities designed to help youth take charge of their personal health and wellness.

## In Her Mind

Every Thursday from 5:00pm to 6:00pm a group of our members join together creating a teen girl's group that speaks upon healthy relationships, boundaries, peer pressure, violence, and social media.

These members are here to embrace empowerment and the importance of voicing their thoughts. This is a safe place for teen girls to communicate and learn together.

## Hoops And Handles

**Hoops and Handles Basketball Academy officially started this October! This program is open to all our members of any age who are interested in the dynamics of basketball. Hoops and Handles is all about mentoring kids on and off the court and training members to become successful in sportsmanship, exercise, and reaching goals. We are so proud of the dedication these kids show everyday.**

## Big Dog Event

**The annual big dog event is back! We are proud to say that our "Thing One and Thing Two" themed dog was a success! Members from our Torch Club helped to plan the theme, build and create our props, and work together as a team to put it all together. Most of all, our members were able to have fun while learning the meaning of true teamwork. We are truly thankful to have been a part of yet another great event.**
