# Monthly Newsletter

"Great futures start **here**"

## Member & Mentor of the month

This month we recognize Elijah Abarca as our Member of the Month. Elijah has been a member of the club since he was in first grade.

He participates in a variety of programs like our brand new travel floor hockey team where he will be competing against other Boys & Girls Clubs in the area. He is respectful, friendly, and a joy to have at the club!

This month we recognize Amy Lawless, STEAM Coordinator as Mentor of the Month. Amy has been knocking it out of the park running science experiments, robotics, coding, and most importantly, creating a space where the kids look forward to learning! She is hardworking and demonstrates commitment to her role every day.

We are lucky to have her.

**FUN FACT:** She is a former club kid!

## Tween Center

We have implemented a brand-new Tween Center for kids ages 11-13 years old. We have been hard at work to design a space that is fun and engaging for this age group! Tweens have been loving their new space and taking full ownership of it.

Our Tweens have been staying busy engaging in our Esports League, participating in our Torch Club designed for emerging tween leaders, and enjoying their very own Reader's Club. Our new bumper pool table has also been a hit!

## Digital Arts Center

Our brand-new Digital Arts Center has been so popular with our members. With our brand-new surface pros and pens, kids have participated in activities like digital self-portraits, pixel art, and creating their own comic strips. Many more fun activities to come! We have emerging artists that are exploring this space and it has been so fun to watch their creations come to life!

## Art Walk

The annual Art Walk continues to be a great success. We were lucky enough to be one of the five art murals in Haverhill sponsored by Beyond Walls. We had the opportunity to share this art mural during the Art Walk this month. In addition to our mural, we showcased some of our talented kid's artwork with some live music by Be Imagine Music Studio. Pizza was served and provided for all who visited!

## Casino Royale 2023

Voted "one of Haverhill's best events of the year!"

Casino Royale is our biggest fundraiser. Grab your tickets here

## Hispanic Heritage Month

We have already kicked off Hispanic Heritage Month with a read aloud in our Learning Lab. The book is called Where are you from. It is all about the importance of embracing one's heritage and culture!

## Keystone Club

Keystone Club has kicked off their first volunteer work this year at the Haverhill Citizens Center participating in Community Meals where they helped give out hot meals to families in need.

Keystone Club welcomes teens 14-18 years old!

## Club Hours

Club open for after school programming daily
